

Pop-Up Book

1. Fold a sheet of paper (8 1/2" × 11") in half like a *hamburger*.
2. Beginning at the fold, or *mountain top*, cut one or more tabs.
3. Fold the tabs back and forth several times until there is a good fold line formed.
4. Partially open the *hamburger* fold and push the tabs through to the inside.
5. With one small dot of glue, glue figures for the *pop-up book* to the front of each tab. Allow the glue to dry before going on to the next step.
6. Make a cover for the book by folding another sheet of paper in half like a *hamburger*. Place glue around the outside edges of the *pop-up book* and firmly press inside the *hamburger* cover.

Use pop-up tabs with accordion books and display boxes.
